**GROW YOUR NETWORK - OPTIONAL**

CYNF works best when all your friends and neighbours join. The more people you know, and just join the more that you can share.

If you would like to feel free to email some of your contacts here and let them know that you think would like to join. Just enter their email addresses and send them an invitation. Please, encourage them to join, so we will make your experience of CYNF even much more rewarding socially and financially.

It is important that you know that we send a e-mail to the people you list on your list, inviting them to become members. It is up to them to decide whether to join.

The e-mails are not used for any other purpose, and your real e-mail is not at risk of being accessed or sent to anyone.
